

8MP IP Waterproof IR Camera

Key Features

- H.265/H.264 video compression
- 1/2.0" OS08A10 CMOS Sensor
- High resolution up to 8MP (3840*2160@15fps)
- Day/night IR-cut auto switch
- Dual-stream encoding
- ONVIF supports
- Free CMS software and mobile app
- 2.8-12mm vari focal lens
- 42PCS, Ø5 LEDS, 40M night vision
- 12V DC, PoE (power over Ethernet)
- Outdoor IP66 weather rating

Dimension(unit : mm)

Technical parameters

Name	8MP IP PoE Bullet camera (SVN-WH5800P)
VIDEO	
Sensor	1/2.0" OS08A10 CMOS Sensor
Effective Pixels	3840(H)*2160(V)
Video standards	H.265/H.264 video compression
Stream	Main stream: 3840*2160 15fps, 2592*1944 25fps, 1920*1080 25fps
	Sub stream: 1280x720 and 704x576 /25fps
Video bit	0.1m-10Mbps adjustable
Video format	H.265/H.264 high profile
System	60/50Hz
Day and night	Auto with mechanical ICR
Min illumination	0.01lux at (F1.2), 0.001lux with IR
Audio (optional)	
Compression format	G.711A 64K bit/seconds
Audio input/output	1CH in, 1CH out
Bidirectional talk	Two-way voice intercom function
Network	
Protocols	TCP/IP, HTTP, UDP, FTP, ICMP, ARP, DHCP, NTP, DDNS, DynDNS, UPnP, RTP,
Ethernet	10/100 base-T, auto sensing, RJ-45, front LED indicator
Wireless	No
User group	3 levels, unlimited users, max 10 users simulta
Diagnostics	Auto connectivity detection, auto restart
Lens	2.8-12mm vari focal lens
IR LED	42PCS, Ø5 LEDS, IRdistance 30-40M
General	
Power supply	12V DC, PoE (802.3af)
Operating temperature	-20 to 60°C
Humidity	20-80% RH non-condensing
