

2MP H.265 Super Starlight Day & night Color Waterproof IP Camera

Key Features

- H.265 video compression
- MS313E+Sony IMX307 CMOS Sensor
- High resolution up to 2MP (1920*1080@25fps)
- Full color With Day/night
- Dual-stream encoding ONVIF supports
- Real time monitoring and intercom function
- Support the platform for mobile phones or computer monitors
- 4 mm fixed lens
- 12V DC, Outdoor IP66 weather rating

Dimension(unit : mm)

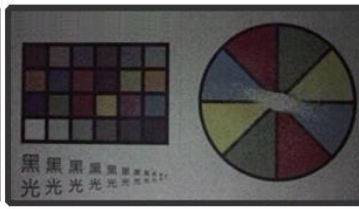

Technical parameters

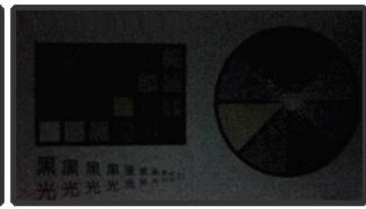

Name	2MP Starlight IP Camera (SVN-WJ30SL200)
VIDEO	
DSP & Sensor	MS313E+Sony IMX307
Effective Pixels	1920(H)*1080(V)
Video standards	H.265 video compression
Stream	Main stream: 1920*1080, 1280*960,1280*720,704*576,640*480
	Sub stream: 640*480,352*288,176*144
Video bit	32Kbps-8Mbps adjustable
Video format	H.265 high profile
System	1/25---1/10000S
Day and night	Full color for day/night
Min illumination	0.01lux (F1.0) without IR
Audio (optional)	
Compression format	G.711A 64K bit/seconds
Audio input/output	1CH in, 1CH out/Optional
Bidirectional talk	Two-way voice intercom function
Network	
Protocols	TCP/IP, HTTP, UDP, FTP, ICMP, ARP, DHCP, NTP, DDNS, DynDNS, UPnP, RTP,
Ethernet	10/100 base-T, auto sensing, RJ-45, front LED indicator
Wireless	No
User group	3 levels, unlimited users, max 10 users simulta
Diagnostics	Auto connectivity detection, auto restart
Lens	4 mm fixed lens
General	
Power supply	12V DC
Operating temperature	-20 to 60°C
Humidity	20-80% RH non-condensing
