

4MP Smart Night Vision E27

Interface Wifi PTZ IP Camera

Key Features

- Night vision: Full Color/Smart/Infrared Night Vision.
- HD video: high-definition 4MP resolution, clear and delicate images, standard 5MP 3.6MM high-definition lens.
- Audio: Support voice intercom
- Connection method: Support AP/wifi (Support wifi 2.4GHz and 5.8GHz).
- APP: Support mobile phone APP (iOS, Android) monitoring remote monitoring, APP: CamHipro
- Storage management: support local TF card storage, the maximum can support 128G, automatic cycle coverage when full.
- AI: Humanoid tracing, intrusion alarm.
- Protocol: support ONVIF.
- Product features: 2-inch Size/IP66 waterproof, Plastic material.

Technical parameters

Model No.	SV-Q5H-40T
Sensor	1/3" GC4653 CMOS T31X
Pixels	4.0MP
Video Compression	H.265 (Support humanoid detection)
Dual Stream	Support
Image resolution	2560x1440, 800x448
Video frame rate	15fps
Video code rate	32Kbps~6Mbps
Light control mode	Full Color/Smart/Infrared Night Vision
Number of lights	4 PCS IR LED+4PCS lighting LED
PTZ control	Rotation Angle level :355°; Vertical: 90 °
Turn PTZ	Upside down/Turn around
Network protocol	TCP/IP, UDP/IP, HTTP, ICMP, FTP, EMAIL, TELNET etc
Motion Detection	Can set sensitivity 0-100 and detect 4 areas
ONVIF	Support ONVIF2.4
IE	Embedded Web Server, users can browse and control directly with a browser
Mobile APP	Support iOS, Android
Dynamic DNS	Support LAN and Internet
Pairing	Sweep QR code, wifi, AP Hotspot Addition
wifi	Support wifi 2.4GHz and 5.8GHz

Coding standard	G.711
Mitou	Support
Two-way Speech	Support
Video storage	TF Card/Cloud
Storage	Support TF card (max 128GB) or cloud storage
Other functions	Support humanoid recognition
User Management	Provides multi-user hierarchical rights management, allowing multiple users to access the device at the same time
Power	AC110-230V power interfac: E27
Working temperature and humidity	0 ~ 55 °C, 10 ~ 95%
